(1977-1987)

# INTRODUCTION

New Blooms Public School was founded by Keshav Ram Sharma Memorial Shiksha Prasara Samiti, B-294 Ramlila Ground, Hastinapur on Ganeshpur-Hastinapur road to Meerut. The school is away from the congestion and the mad rush of the city. The open picturesque environs of the school make it an ideal palace of learning. It is our desire to establish the school as senior secondary English medium co-educational school, affiliated to the C.B.S.E. New Delhi.

The School motto Love, Light, Liberty symbolizes the aspirations the school has for achieving excellence and moral education for each and every child of the school.

## AIMS AND OBJECTIVES

The school has been established with the aim of providing comprehensive quality education, in order to develop the varied facets of a child's personality and character. Curriculum is so designed that stress is laid on character building, teamwork and infuses amongst the students a spirit of honesty, responsibility, fairness, justice and respect. It is our aim to develop future citizens who would don the mantle of true Indians taking pride in their culture and do their motherland proud.

The School believes in the dignity and worth of each student and sees in them the potential to discharge their duties towards the world community.

It is our endeavor to develop in each student:

1. Appreciation and respect for ethical and cultural values
2. The ability to think clearly, Logically and Independently.
3. Good health and physical fitness, enabling them to live an energetic, wholesome and productive life.
4. A mastery of the skills of communication and learning.

## **SCHOOL HISTORY**

Despite its juvenile stage, the school has made a mark for itself on the academic scenario of the city. The students have been bringing laurels for the school from various competitions that they have been participating in. In sports too school students have won prizes and levels.

The Founder of the school **Sh. Vijay Kumarji** was a senior and famous teacher of English having prepared students to join armed forces as commissioned officers. His experience and thoughts would guide us to make our institution achieve greater heights.

## ***COURSES OF STUDY***

The school has classes from 1<sup>st</sup> to 10<sup>th</sup>. Although the medium of imparting education in the school is English, stress is laid on Hindi too.

The following subjects are included in the school curriculum-

Hindi, English, Mathematics, Environmental Science, General Science, Sanskrit, Computer Science, General Knowledge, Music, Art & Craft and Physical Education.

## ***COMPUTER TRAINING***

Computer learning is an essential part of the school curricula. Emphasis is laid on computer science right from class 1<sup>st</sup>. Separate periods are allocated for teaching of computers in the weekly timetable.

The school has well-furnished computer lab equipped with latest computers having multimedia facilities and internet. Profuse use of scanners, LCD projector and CD writers is resorted to, so as to make the teaching more interesting and fruitful.

### **LABORATORY**

Well-equipped and spacious composite laboratory for physics, Chemistry, Biology, is available for the students. A lot of emphasis is laid on practical work. Periods are separately allocated for this.

## **LIBRARY**

The school library is repository of valuable books on wide variety of subjects. The library stocks enough books for the student to use. Every bonafide student of the school is allowed to make use of the library. In order to inculcate the habit of reading amongst the students, atleast one library period per week is included in the weekly timetable. Students are encouraged to borrow books from the library on their own borrower's card.

## **GAMES & SPORTS**

The school provides facilities for all major games. With ample open space and play field available within the premises, stress is laid on encouraging students to participate in all games and excel. School endeavors to propel students towards state and national level competitions.

facilities exist for football volleyball, and cricket,

## HOUSE SYSTEM

**The school has four houses, namely:**

- |                 |                 |
|-----------------|-----------------|
| a. Bhagat House | c. Tilak House  |
| b. Lajpat House | d. Tagore House |

The children from class 1 onwards are allocated one of the above houses right at the time of admission. For the sake of healthy interaction between students, all competitive activities in the school are carried out amongst these four houses. The school strives hard to promote team spirit, loyalty, healthy competition and responsibility amongst students by encouraging them to participate in various curricular and extra curricular activities as per their interest and aptitude. Each house has a teacher incharge, some tutors and a team of student office-bearers led by the house Captain. The team comprises of house vice captain and prefects. Heading these team of four houses are two School Captains-one boy and one girl.

Points are awarded to the winners of all extra curricular activities, At the end of the session the house securing the maximum points is awarded the Cock House Trophy.

## **OTHER FACILITIES IN THE SCHOOL**

**Transport:** The school owns deluxe type buses, plying on all the major routes of the city. A number of additional buses are being added to cover more areas.

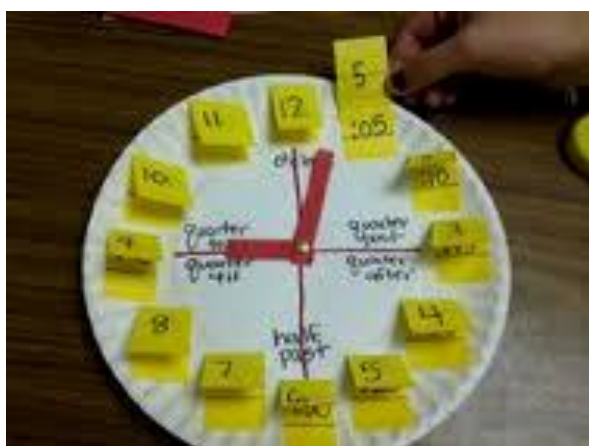

**Canteen:** The school runs a contractual canteen that provides hygienic and wholesome eatables for the children at very competitive prices.

**Drinking Water:** There are number of water points connected to water coolers for providing cold drinking water for the children in summers. School has two tube-wells providing clean drinking water all the time.

**Infirmary:** School has a two-bed infirmary, equipped with all first-aid accessories. A doctor also visits the school at regular hours to look after the health of the children.

## TEACHING AIDS

Teachers are encouraged to make profuse use of teaching-aids to help a better grasp of the teaching point and also make the lesson interesting. Use of computers in class-room teaching has also been explored to its fullest. With the addition of LCD Projector a

big revolution in class-room teaching is being aimed at. Internet based audio-visual teaching is being laid stressed on the which the school is training its staff in all faculties.
